Replacement Drawings dated Mar. 18, 2005
Reply to Notice Regarding Drawings of Jan. 19, 2005
Docket No. 4310.002900 (6321-214CIP)

REMARKS/ARGUMENTS

These remarks are made in response to the Notice Regarding Drawings of January 19, 2005 (the "Notice"), such Notice being forwarded after payment of the Issue Fee by Applicants. Applicants submit herewith the requested replacement drawings (54 sheets) for the above-identified application. Applicants also submit herewith a copy of the Notice Regarding Drawings, dated January 19, 2005. As this response is timely filed within the two-month shortened statutory period, no fee is believed due.

Applicants wish to thank the Examiner for the opportunity to submit the corrected and formal Drawings. In the Notice, the drawings were objected to by Draftsperson Taug for failing to comply with various subsections of 37 C.F.R. § 1.84. Applicants have attached corrected replacement sheets which Applicants believe place this application in condition for publication and issuance. Accordingly, the objection to the drawings should be withdrawn, which action is respectfully requested. Applicants request that the Examiner call the undersigned if clarification is needed on any matter within this Response, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,

Date: 3/18/05
